CAPTAIN'S REPORT ON ACTIVITIES FOR 2015

2015 kicked off with our annual get-together with our Thai counterparts. Together with the Thai Senior Golfers Association (TSGA), we decided to stage this event at the Khaoyai Rancho Charnvee Golf Club, situated amidst Khao Yai's famous national park. Despite the 2.5 hour bus ride from Bangkok, we managed to tee off in the afternoon for an enjoyable game. We had our 'reunion' game with TSGA at the Mountain Creek Golf Club and then headed into Bangkok for a delicious Thai-Chinese meal in Yaowarat, Bangkok's Chinatown as well as more shopping for unique delicacies and snacks in preparation of the Chinese New Year.

The CASGA mid-term meeting was held in Kuala Lumpur on 10 March. It included two days of golf, as well as the official meeting.

In May, 20 members flew to Penang for the Malaysia Golfing Gems trip. In the subsequent days, we hit the top golf clubs starting from Penang and headed south covering Ipoh, Kuala Lumpur and Malacca. No trip to Malaysia would be complete without good food and the group enjoyed the local food specialties from the various areas that we played at.

The SSGS's 47th AGM/Gold Medal was held at the Sentosa Golf Club on 2 May at the Tanjong Course. We wrapped up the evening with a superb buffet by Sentosa's famed chefs, and announcement of the highly anticipated competition results. The AGM was successfully conducted and the new GC for 2015/16 was elected.

During the interim months leading to the ASEAN Senior Championship that was held in Chiangmai, Thailand, we leveraged on our monthly medals to help us select Team Singapore. We headed off to Chiangmai, Thailand a couple of days before the start of the championship in order to get both acclimatized as well as study the layout of the two courses to be played. Strong camaraderie was evident in the group as Team Singapore was treated to a scrumptious Thai-Teochew dinner sponsored by Patron KC Loh, President Dato' Loh Ah Joo and Vice President Peter Koh. Suffice it to say that today, SSGS is recognised as an up and coming powerhouse by our ASEAN friends despite the fact that we did not bring home any team silverware!

48 members and spouses participated in our second overseas trip for the year – a 9-day trip to Kyushu, Japan. We stayed in three onsens and enjoyed the kaiseki dinners presented always in an atmosphere of calm and grace. The food was outstanding and the courses worthy of the fame brought by hosting JPGA tournaments. Overall, it was a trip that allowed us to appreciate the culture and unique personality of the Japanese.
